

MERN stack Assignment - 3

Name: Semal Chaudhari

Roll Number (RNO): 04

Division (Div): A

Subject Code: 701

Question 1

1) Develop a user registration form (fields: username, password, confirm password, email, gender, hobbies, upload profile pic, upload other pics) (use text box, radio, checkboxes, file upload) using Express. Form should also contain file upload (single, multiple) with validations. In case of invalid data, display errors along with all previous field values. In case of all valid fields, display all data and images in a well formatted tabular form. Allow the user to download that file using Express. Develop route for file download. (Use express, ejs, express-validator)

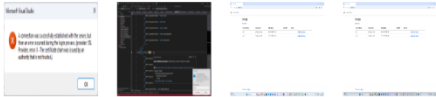

User Registration

Username	user
Password	
Confirm Password	
Email	user@user.com
Gender	☒ Male ☐ Female ☐ Other
